

FORM FOR CERTIFICATE FOR SUBSURFACE INVESTIGATION

With respect to the building work of erection, re-erection or for making alteration in the building on/in

Plot No. (Full Address) _____

In Industrial estate name _____

Under SICOP/SIDCO (strike out not applicable)

District _____

We certify that we have carried out subsurface investigation at site and have performed various tests required to determine engineering properties of soil substrata and ground water based on which we have given recommendations about the type of foundation, soil bearing capacity and the depth at which the foundations shall be placed, considering the structural system and loads supplied by the structural engineer to enable the structural engineer to design the foundations and other structures below ground, as stipulated in National Building Code of India and its Part 6 'Structural Design', Section 2 'Soils and Foundations' and other relevant Codes.

I am enclosing a copy of the report of sub-surface investigation carried out as above and submitted to the Structural Engineer.

Signature of
Owner/entrepreneur with date

Signature of the registered engineer/
structural engineer/ geotechnical engineer
With registration number and date

Name (in block letters): _____
Address: _____

Date _____
